

COLTERRIS WINERY

Founded in 2010, COLTERRIS is family-owned and operated in the Grand Valley AVA, Palisade, Colorado. The name COLTERRIS means "from the Colorado land."

Colterris Estate Wines will always be produced 100% from our family vineyards.

Situated along the Colorado River, the high-altitude meso-climates and volcanic soils of our vineyards contribute to the rich color, intense fruit flavors and robust character that make COLTERRIS wines unique.

WINEMAKER NOTES

Relative to the Grand Valley offering, the Cliffside Vineyard Cabernet Sauvignon is a more savory, spice-driven wine. While there is still plenty of red fruit character on the nose and palate, the wine displays more leather and tobacco notes which we highlight by pairing quality French oak.

PRODUCTION NOTES

Having access to two clones to make a single vineyard wine serves as an advantage when it comes to winemaking. While the clone 337 was very a big wine with layers of fruit and spice it was missing just a little mid-palate which we were able to support beautifully with the clone 4.
