

# *Plum Creek Heritage Wines*

Plum Creek Cellars, founded in 1984, was one of Colorado's oldest and most influential modern-day wineries.

The wines from Plum Creek were the first to gain widespread national recognition and chart the course for the future of Colorado's premium wine industry.

Colterris is proud to continue this legacy and pay a special tribute to these wine pioneers by creating Plum Creek Heritage Wines.

Visit Colterris Collections, in what was formerly the Plum Creek Winery.

Located in Palisade off of Highway 6, the Colterris Collections will house over 16,000 pieces of Wine Memorabilia (displays coming soon) with a gorgeous tasting room and outdoor courtyard!

Come view history through the Lens of Wine while enjoying a glass or bottle of our 100% estate grown, produced, and bottled wines!

Colterris and Plum Creek Heritage wines by-the-glass, can, or bottle, along with select picnic items are also available for purchase in our tasting rooms.

Reservations or Walk-ins are welcome!
