Colorado's Premier Estate Winery

Colterris was established in 2008 with a vision to produce estate grown, world class wines from Colorado. Our vineyards and winery are located along the Colorado River in the Grand Valley AVA, in Palisade, CO. The favorable meso-climates and volcanic soils of our vineyard locations contribute to the rich color, intense fruit flavors, and robust character that make Colterris wines truly unique.

About the Winery

Family Owned and Operated by Scott and Theresa High

First Vintage: 2008

Annual Production: 16,000 cases

Lead Winemaker: Bo Felton

Assistant Winemaker: Justin Jannusch

Colterris is Colorado's largest estate winery, extending over 70 acres of vineyards planted at the mouth of the DeBeque Canyon and into the higher elevations on East Orchard Mesa. Our unique meso-climates are formed by a combination of the south-facing Book Cliffs that reflect the sun's warmth onto the valley floor and the Colorado River that runs through the valley providing irrigation for our vines. Minerals from the water and soils offer perfect pH ranges while the canyon winds provide air flow to cool the vineyards during the hot summer days and warm them during the cool summer nights of the harvest season.

Growing Season: 180 days

Bud Break: May-June

Soil: Volcanic Clay Loam

Altitude: 4,800 feet

Vitis Vinifera: 80,000+ vines

Vineyards: 70+ acres, harvested by hand
